\* Mount Autos is not a lender nor a financial adviser. Any amounts displayed should not be seen as an offer of finance or taken as financial advice. The interest rate, fees and loan term used in this calculation may not actually represent those available from lenders. Actual interest rates, fees and long term set and the sent as an orier or innance or taken as inner or innance advice. Ine interest rate, fees and long term set and term used in this calculation may not actually represent those available from lenders. Actual interest rates, sea and long term set and long term set and the program actually represent those available from lenders. Actual interest rates, sea and long term set and long term set and term set and term set and the program term interest rate, fees and long term set and long term set and the program term interest rate used in this calculation is an arbitrary 10.95%, however exact interest rates vary per lender. The term of the loan used in this calculation is 48 month. Exact terms available vary per lender although options typically include 6, 12, 18, 24, 36, 48 and 60 months. This calculation also includes two typical mandatory fees calculated using several other normandatory fees and a one-off establishment fee of \$440.00. Typically, this fee can be paid upfront or, as in this calculated by multiplying 208 weekly repayments (based on a 48 month term) by the weekly repayment amount of \$58.04 which equals \$12,071.73. This calculator does not consider any of your own personal circumstances and we strongly suggest you seek budgeting advice prior to committing to any loan contract. Responsible lending criteria and lender terms and conditions will likely apply to any finalised loan contract. Proof of security and/or vehicle insurance may also be required before proceeding.
